Jerald O'Kennard, Director - Tastings.com

"Bright medium dark garnet color. Toasty aromas and flavors of chocolate covered espresso bean, dried cherries, and exotic spice and herbs with a satiny, tangy, fruity medium-to-full body and a smooth, nuanced, medium-long cherry chutney, orange-peach marmalade, roasted chestnuts, and earth finish with silky, fruit tannins and light oak. A vibrant and delicious pinot noir that hits all the high notes of fruit and terroir."
